

## **Flight Club 502 Student/Instructor Health Screening Protocol & Procedures**

### **MANDATORY FOR ALL FLIGHT/GROUND TRAINING AND SIMULATOR SESSIONS**

Flight Club 502 believes strongly in protecting its students, instructors, adult volunteers and the public during the current COVID-19 pandemic. To protect the wellbeing and interests of the parties involved, and to maintain an environment with the highest standards of health and safety, Flight Club 502 is establishing the following health screening protocol and procedures. Flight Club 502 has implemented appropriate procedures to sanitize aircraft and other equipment.

Instructors and students are required to consider the possibility of any exposure, by asking themselves the following questions prior to every Club activity. If you cannot honestly answer each question with a NO, **DO NOT** go to the airport or any Flight Club 502 facilities.

**1. Have you traveled out of the country within the last 14 days?**

**2. Have you had contact with anyone with confirmed COVID-19 in the last 14 days?**

**3. Have you had these symptoms in the last 14 days?**

At least one (1) of the following symptoms that has not been diagnosed as a non-COVID condition (i.e., asthma, seasonal allergies, etc.)

- o Cough
- o Shortness of breath

At least two (2) of the following symptoms:

- o Fever (The Louisville Metro/Jefferson County Health Department defines an elevated temperature as 100 degrees Fahrenheit or greater.)
- o Chills
- o Muscle pain
- o Headache
- o Sore throat
- o New loss of taste or smell

**4. Have you had contact with anyone who has exhibited any symptoms in the last 14 days?**

**5. Do you object to allowing your temperature to be taken before every entrance into Flight Club 502 facilities?**

If you answered YES to any question:

- \* **DO NOT** GO TO THE AIRPORT OR REPORT to Hanger 5 or any Flight Club facilities.
- \* CONTACT YOUR INSTRUCTOR to cancel any Flight/Ground Training or Simulator sessions.
- \* It is recommended to call your primary care provider for further guidance.
